Special Invitation to Become Canoe Race Mentor

You are invited to be a mentor to kids interested in learning more about canoe racing. This is an opportunity to match experience with young canoe paddlers. You will have the opportunity to answer questions, share stories and paddle with someone beginning in canoe racing. We will be matching you for a season to build a relationship. Please contact Lynne via email or telephone to become a part of this program. Please call if you want to be a mentor or you are interested in being mentored! We'll share more details if you contact me.

Timers for our races. As everyone knows the people that put on the races also participate because of this we need timers. All the race coordinators would appreciate any assistance that you can provide: helping with registration, setting up buoys or cleaning our debris on the course. Just call your local race director or Lynne Witte to see how you can help.

Congratulations!!!! To Matt and Mandy on the newest addition to their family.

Dane Thomas Streib ~ 4 1/2 lbs. Born 5/17/07

Mandy and Dane are doing fine.
